Sir:

Applicant received a Notice, dated August 14, 2006, indicating that the Response filed on May 23, 2006 is a duplicate of the Response filed on November 9, 2005. However, the Response filed May 23, 2006, responds to *new* grounds of rejections set forth in the February 9, 2006 Office Action, and is thus not a duplicate of the Response filed November 9, 2005. Applicant has confirmed the accuracy of the May 23, 2006 Response via the USPTO PAIR website.

In view of the above, the undersigned contacted the Examiner on August 22, 2006, to discuss the discrepancy. The Examiner acknowledged the error and requested that the Applicant file this paper. This paper serves as both a Response to the Notice, as well as a Statement of Substance of Interview. No further response is due from the Applicant.
